

With your help, Breast Cancer can be...

Going...Going...Gone!

Any Auction, Any Location, 3% Donations, 1 'Think Pink' Cause

Perkins Jessop are proud to announce that they will be continuing their Think Pink Property Auctions on a full time basis. That means 3% of the commission earned from each and every property sold during an auction campaign will be donated to the McGrath Foundation raising awareness for breast cancer and raising funds needed for additional breast care nurses around Australia.
